

Membership Age Requirements-2011/2012

Under 6 and Under 7 Age Group Membership

A child may join a Surf Club as soon as he/she turns five (5) years of age. No Club is to accept membership of a child until they have reached the age of five years, to comply with insurance requirements. A child who reaches five years of age *after* 30 September 2011 may join Nippers at that time; however, this child will be required to stay in the U/06 Nippers age group the following season.

U/06 and U/07 members participate in activities on an educational basis only – children in these age groups may not compete in any point score or club championship events.

Listed below are the age groups members will be in for the 2011/2012 season if they are born between the following dates:

| | |
|---|------|
| 1st October 2005 to 30th September 2006 | U/06 |
| 1st October 2004 to 30th September 2005 | U/07 |

Under 8 to Under 14 Age Group Membership

Age groups remain a minimum age of 7 years (U/08) up to a maximum age of 13 years (U/14) on a seasonal basis.

The age group in which a child participates for each season is determined as at midnight on the 30th September at the commencement of that season.

Listed below are the age groups members will be in for the 2011/2012 season if they are born between the following dates:

| | |
|---|------|
| 1st October 1997 to 30th September 1998 | U/14 |
| 1st October 1998 to 30th September 1999 | U/13 |
| 1st October 1999 to 30th September 2000 | U/12 |
| 1st October 2000 to 30th September 2001 | U/11 |
| 1st October 2001 to 30th September 2002 | U/10 |
| 1st October 2002 to 30th September 2003 | U/09 |
| 1st October 2003 to 30th September 2004 | U/08 |

Please note: Proof of age/Birth Certificate must be shown for all new children joining a Surf Club or for any child that has not produced a birth certificate.

Unfortunately, participation outside a child's own age group is not possible – this is against SLSA regulations and makes point scoring difficult for both the child and the Age Manager involved
